

REMARKS/ARGUMENTS

Claims 1-12 are pending. Claim 6 has been amended to change "indexing face" to "indexing surface" to be consistent with claim 1. The terms "indexing face" and "indexing surface" have been used interchangeably throughout the application. However, similar amendments to the specification have also been made herein for consistency. It is respectfully asserted that no new matter is added hereby. It is requested that this amendment be entered.

CONCLUSION

Entry of this amendment is respectfully urged since it merely cures a minor defect in one of the claims and does not touch the merits.

Respectfully submitted,

Gerald T. Gray
